ABOUT FHIPO

FHipo is the first real estate investment trust established to acquire, originate, co-participate, and manage mainly mortgage portfolios in Mexico. Currently, it is the only investment vehicle that provides investors with exposure solely to the Mexican mortgage market and rewards them through a combination of dividend payments and capital gains. FHipo is managed by CH Asset Management S.A.P.I. de C.V., which has a management team that overall accounts with more than 50 years of experience in the finance and mortgage sector.
